

A.K.D.DHARMA RAJA WOMEN'S COLLEGE
(Affiliated to Madurai Kamaraj University)
RAJAPALAIYAM

DEPARTMENT OF PHYSICS

M.Sc Physics

Course Outcomes (CO)

- 1.CO1. Understand core concepts in physics like quantum mechanics, classical mechanics, electromagnetism, and statistical mechanics.
- 2.CO2. Apply mathematics and programming to solve physics problems using tools like MATLAB, FORTRAN, or C.
- 3.CO3. Gain practical skills through laboratory experiments, internships, and research projects.
4. CO4. Analyze and interpret data from experiments and simulations to draw valid conclusions.
5. CO5.Prepare for careers in teaching, research, industry, and higher studies.

Program Outcomes (PO)

1. PO1: Apply knowledge of management and HR practices to solve global business problems.
2. PO2: Foster analytical and critical thinking for data-based decision-making.
3. PO3: Integrate ethical and legal values into organizational activities.
4. PO4: Develop communication, managerial, and interpersonal skills.
5. PO5: Lead individuals and teams to achieve goals.
6. PO6: Enhance employability through contemporary business practices.
